The general horizon institute
For training and languages
انطلاقاً من رسالة معهد الأفق العام باعتباره من أوائل معاهد التدريب الرائدة في المملكة العربية السعودية، فإننا حايصون على تقديم أفضل الخدمات التدريبية التعليمية والتدريبية لمواكبة احتياجات جميع العملاء.

واستناداً إلى مهمتنا المتمثلة في تزويد المتدربين بالمهارات والخبرات وال المعارف التي يحتاجونها، فإننا نعمل على تحقيق التكامل بين تقديم الاستشارات التدريبية المطلوبة من قبل المتدربين وتصميم وتنفيذ البرامج التي تلبية احتياجاتهم.

Based on the mission of the General Horizon Institute as one of the leading training institutes in Saudi Arabia, we are keen to provide the best services. Educational and training to keep up with the needs of all clients.

Based on our mission to provide learners with the skills, experience and knowledge they need, we are working to integrate the training counseling required by the learners and design and implement programs that meet their needs.
The general horizon institute for training and languages

Over 25 years of training and educational success in the Kingdom of Saudi Arabia, the General Horizon Institute for Training and Languages has proven to be one of the most distinguished and well-known institutes established on the basis of modern educational principles to meet the needs of learners and help them develop their skills. Our institute has been able to train thousands of trainees over the past years and establish excellent partnerships and cooperation with many government authorities and major companies and private institutions as a result of our unique advantages. The Institute provides training requirements through a set of programs that integrate the provision of training advice and identify training needs and then design training packages that meet those needs and then follow up the implementation of these programs in a professional manner. The Institute aims to form strategic partnerships with many training agencies inside and outside the Kingdom to ensure the provision of the best training services possible.

هل تبحث عن دورات منحة تمكنك الكثير من الخيارات الوظيفية؟ أم أنك ربما كنت حديث التخرج وترغب في القيام بدورة إضافية لمهماتك أكثر؟ إذا كنت تحب العمل وتتمتع بالعمل مع الناس، فيمكن أن يساعدك معهد الأفق العام للتدريب على أخذ دورات الإدارة التي يمكن أن تساعدك على اكتساب المهارات اللازمة للتقدم في حياتك المهنية.
Your facilities depend on efficient and reliable management of your electric power, distribution, control, security, communications and heating/lighting systems. A well-trained electrical maintenance staff, coupled with the performance of regular industrial electrical maintenance tests, is critical to ensuring safe, reliable operation. Use the Electrical Maintenance training to raise awareness of potential hidden problems in your electrical systems before they grow to become disasters.
Training workers on the basics of occupational health and safety can help reduce workplace accidents and injuries, saving companies from costly legal battles with employees and lifelong support for their families. In addition, prioritizing the safety of your personnel can keep them from leaving the job because of work-related illness, keeping financial losses secondary to lack of skilled workers at a minimum.
Training For Employment

The Horizon General Institute for Training recognizes the importance of development and training, to qualify the necessary competencies and human cadres capable of building and promoting the nation and society. Therefore, it was necessary to build effective training programs based on the training of workers and job seekers to serve and develop them.
The Horizon Institute participates in the Summer Training Program under the supervision of HRDF and The Ministry of Labor. More than 1400 students have attended the program. The Institute has been working with the following companies
